

Investing for Success

Under this agreement for 2020
Calamvale Special School will receive

\$94,407.00*

This funding will be used to

- Build the capability of all staff towards improving the quality of teaching and learning through a student centred approach
- Provide safe, inclusive and engaging learning environments
- Build staff capability in the delivery of specialised pedagogical practices in literacy
- Strengthen, refine and further develop partnerships towards providing improved opportunities for pathway programs for all senior students

Our initiatives include

- Implementation of literacy pedagogy toolkit
- Provision of Pedagogical Coaches
- Delivering a bespoke and flexible curriculum plan to meet the highly individualised needs of every learner
- Providing contemporary infrastructure and ICTs for student-focused teaching and learning
- Strengthening teacher capability to design and implement learning experiences that build on learner strengths and needs
- Increasing pathway opportunities for senior students through Vocational Education and Training and ASDAN certificate courses

Our school will improve student outcomes by

Engaging consultants and curriculum advisors with specialised expertise	\$20 000
Creating new and enhance existing learning spaces	\$34 407
Pedagogical coaching and resourcing to implement evidence-based practices in literacy	\$20 000
Provision of Vocational Education and Training and ASDAN certificate courses	\$20 000
